

## Practice Areas

Neil Dymott is the leading health care defense firm in Southern California and takes tremendous pride in representing medical and allied health professionals. For decades, the firm has represented physicians, dentists, oral surgeons, osteopaths, hospitals, surgery centers, long term care facilities, residential care facilities, medical groups, nurses, nurse practitioners, physician assistants, and other ancillary providers.

Neil Dymott's trial lawyers have unparalleled experience defending against claims of medical/dental malpractice, elder/dependent adult abuse, and breaches of medical privacy. The firm also performs all types of administrative law work in the medical arena, including representing practitioners in proceedings initiated by Medical Executive boards and the state licensing boards.

In addition to health care, Neil Dymott's trial practice covers the full spectrum of civil litigation including representation of individuals, small businesses, multi-national corporations, and government entities. The firm has successfully litigated claims involving products liability, wrongful termination, workplace harassment, professional malpractice, construction defects, premises liability, excessive use of force, civil rights violations, trucking liability, and violations of California's consumer protection statutes.

In conjunction with the trial practice, Neil Dymott attorneys consult with individuals, insurers, and business owners in areas such as estate planning, insurance coverage, business formation, regulatory compliance, and Medicare Secondary Payor compliance.

As a mid-size law firm, Neil Dymott has the depth and experience to protect their clients' interests through any potential appeal. Attorneys at the firm are admitted to practice in the California Court of Appeal, the California Supreme Court, the Ninth Circuit Court of Appeals, and multiple shareholders are admitted before the United States Supreme Court.
